Can we arrive early to set up?

Yes, you can arrive 15-mins early to set up.
Regular play will recommence after your event so we do need you to adhere to your session times.
Please note that you will need to use the rear fire exit entrance to be early for parties that start at 10am on Sunday. This is strictly for key party organisers and not for your guests and we ask that you park in the regular parking area at the front of the building due to insurance purposes and access for deliveries.

When do we have to leave?

We really appreciate a prompt exit when your session is finished. Cleaning will commence immediately.

When is the balance due?

The booking will take a deposit which leaves a variable balance that can be cleared on the day of your event.

Can you tell me what the total cost will be?

The best way to calculate this is to use our booking page for Catering and Extras. You don't need to book it until 7 days before your event but it's a handy calculator.
